Robert Goodwill  
[info@foodsafetytraining.ca](mailto:info@foodsafetytraining.ca)

Dear Mr. Goodwill:

We have completed the review of the curriculum and exams for the on-line "FoodSafetyTraining.ca" course and I am pleased to advise that they rated well. This course will be added to the list of recognized food handler courses that meet the requirements of Section 26 of Saskatchewan's *Food Safety Regulations*.

Should you have any further questions, feel free to contact me.

Regards,
